## K-Business of the Day

### This Week's Visitors

**Bob Laurion** brought his son from Colorado as a guest.

### This Week's Program Summary

**Al Wearing** introduced Andrew Abrams, Artistic Director of Four Seasons Theatre. Andrew brought vocalists Tamara Brognano, Kaitlin Elizabeth Olsen, and Rick Henslin to perform numbers from Guys and Dolls, The Wild Party, A Little Night Music, South Pacific, and Little Women.

Founded in 2005 by four UW-Madison School of Music graduates, the Four Seasons Theatre performs strictly musical theater productions. Each summer, the company performs a large-scale musical—from Sweeney Todd to West Side Story—and each spring, the group presents a concert version of the summer musical.

You can see the Four Seasons Theatre Company on February 19<sup>th</sup> at the Wisconsin Union Theater in "An Evening of Broadway Favorites." For more information, check out:

She will likely be helping a local hospital once she arrives. Her water system project is postponed until this summer.

**Dave** informed the club that Robert Pierce's wife, Nelda, passed away this week. Robert is a former member of our club.
